# Newsletter September 2024

### Update

Dear local residents;

It's been a while since you've heard from us. Here is a small update on Walter's health.

After many medical tests, a significant treatment process has been started in the hope that he'll be able to have a normal life again after this. We hope that if everything goes on like this, we will be able to do more activities in the neighborhood next year. We will of course keep you informed about this with a newsletter.

On behalf of the rest of the organization, Daphne, Karin and Cor, we wish Walter the best with his recovery.

### Halloween in the Kastelenbuurt

It's Halloween again on Thursday, October 31<sup>st</sup>. And that's why we would like to invite you to help us make it a spooky evening!

That evening, starting at approximately 6:45 PM and ending approximately 9:30 PM, everyone can visit the doors and the haunted house at Vreeburg 27 again.

We therefore hope that you can also ring your doorbell and would like to ask you to complete the registration form below, or to register via email or our social media.
