Future of the Kastelenbuurt Activities Team

It's been a while since you've heard from us. Here's an update on Walter's health.

Unfortunately, his health hasn't improved much. He's undergone numerous medical examinations and received new diagnoses over the past year. Treatment options are being explored, and he's on several waiting lists, but much remains uncertain about his health's progression.

We had hoped to organize more activities this year and next, but unfortunately, we've had to make a difficult decision.

Due to Walter's health, we've had to decide to discontinue organizing activities. It's very uncertain whether we'll be able to resume in the near future, but we will organize at least one more activity this year. You can read more about this in this newsletter.

Thank you for your understanding of this unforeseen situation.

On behalf of the rest of the organization, Daphne, Karin, and Cor, we wish Walter the best of luck in his recovery.

Ghost Hunt in the Kastelenbuurt

Halloween is back on Friday, October 31st. We'd love to invite you to help us make it a spooky evening!

That evening, from approximately 6:45 PM to approximately 9:30 PM, everyone is welcome to come door-to-door and visit the haunted house at Vreeburg 27.

We hope you'll join us, so please fill out the registration form below, or register via email or our social media channels.

Organizing activities in the Kastelenbuurt

We've regrettably had to make the decision to withdraw our responsibility as organizers of activities in our beautiful neighborhood.

However, this doesn't mean that activities can no longer take place! Therefore, we would like to ask you, our neighbors, to take over from us.

We are convinced that you have great ideas for events and can (together) turn them into wonderful and enjoyable moments.

If necessary, we are always available for advice and we can provide small-scale assistance within our capabilities.

Are you interested in taking over? Please contact us via email or our social media channels.
