Dear neighbors, September 2026

Our invigorated community group has already been active for a year now. We are pleased to have expanded the existing TAK. Thanks to the experience of Walter, Daphne, Cor and Karin – combined with the energy of new members – we form a great reflection of our diverse neighborhood. After a fun Easter activity, we are now fully immersed in preparations for Halloween.

Many hands make light work
Although we have a core team, we are always looking for extra help! Whether you want to contribute ideas on an ongoing basis or simply help out for an hour during an activity, everyone is welcome! If you're interested, send us a message or ask for more information – no strings attached.

Stronger together
Great initiatives are already taking place in the Kastelenbuurt. We are keen to join forces with other neighborhood initiatives. Together we can support one another and create even better experiences for all residents.

Get ready for a scare: Halloween on Saturday, 31st of October 2026
We're staying busy, as Halloween is just around the corner. It wouldn't be Halloween without candy houses! Will you help us make it a spooky success once again? Register your home as a candy house. You can sign up until October 29th.

The Rules

- ➔ Time: Saturday, October 31st, between 6.45 PM and 9.30 PM.
- ➔ Identification: Participating candy house scan be identified by the poster. To avoid causing a nuisance, please only ring the doorbell if a poster is displayed.
  A poster might be taken down before the event ends; so please do not ring the doorbell if that's the case!
- ➔ Trick or Treat poster: If you register your home as a participating candy house, we will place a dot on the map. We doe not share the specific addresses of participating candy houses.
- ➔ Trick or Treat map: This map shows the Participating candy houses marked with dots. It will be available online starting October 30th. A paper version can be picked up at Vreeburg 27 starting at 12.00 PM on October 31st.
- ➔ Photos: We take photos during our events for our website and social media. If you see a photo online that you would prefer to have removed, please send us an email, and we will take it down immediately. Are you taking your own fun photos this evening? Feel free to share them!
- ➔ Extra tip: Don't forget to visit the Haunted House at Vreeburg 27.

Looking ahead towards 2027
We're going all out in 2027 to celebrate the 10th anniversary of our Halloween event. We have various other ideas in the works too, but more on that later. Be sure to keep an eye on our social media channels for updates!

Spooky regards, and we hope to see you on the 31st!

Walter, Daphne, Cor, Karin, Bas, Hendy, Jules, Yentl, Marianne and Marloes
